Delete User Screen

The image shows a 'Delete User' screen with a light blue background. At the top right, the title 'Delete user' is displayed in white. Below this, there are two input fields. The first is labeled 'User Name' in white text on the left, and the input box contains 'XYZ'. The second is labeled 'Password' in white text on the left, and the input box contains eight asterisks '*****'. At the bottom of the screen, there are two buttons: 'Delete' on the left and 'Cancel' on the right, both with a blue gradient and white text.

Delete user

click on a name from user list and click delete to delete

User Login Screen

The image shows a user login screen with a blue gradient background. At the top, there is a dark blue header bar with the text "User information (Name, Age)". Below this, the screen is divided into two main sections. The left section is a dark blue box containing a list of album actions: "Open album", "Add album", "Rename album", "Delete album", and "Search album". At the bottom of this box is a white button with the text "Log out". The right section is a lighter blue box containing the text "All user albums and other information will be available here."

User information (Name, Age)

- Open album
- Add album
- Rename album
- Delete album
- Search album

Log out

All user albums and other information will be available here.

This user login screen will have all their photos and user information with log out opt.
